Subject: Bristok, OK Wilcox Refinery questions

Brenda,
I am the managing editor of the Bristow News. Bill Little suggested you call me regarding the Wilcox Oil Refinery in Bristow, OKI.

If you are not the person who can answer questions from the media, can you get me in touch with who is?

I am just looking for basic information, nothing difficult, I promise.

Please call me as soon as you can. (918) 367-2282. I am on deadline.

Thank you.,
J. D. Meisner
